OVERVIEW

Laon is strategically located in the Hauts de France region.

Laon is strategically positioned at the intersection of the A26 motorway and the N2 trunk road, providing quick and easy access to the Paris region, particularly Roissy Charles de Gaulle Airport, which is just 1 hour and 15 minutes away. It also offers convenient routes to Belgium and the Grand Est region.

This location helps reduce congestion on the A1 highway.

Situated in the heart of the Communauté d'Agglomération du Pays de Laon, the area offers an ideal environment and a substantial labor pool for businesses seeking to establish themselves there.

AVAILABILITIES AND PROJECTS

P3 Saint Quentin is a 22,000 m² warehouse comprising 2 cells located in the historic industrial zone of Saint-Quentin-Fallavier, alongside the A43 motorway, 25 km south-east of Lyon.

P3 Brétigny offers a high-quality logistics infrastructure tailored to the diverse needs of modern businesses with its visibility from road D19. The site is ideally connected to major road networks, including exit 7 of the A6 and the A10, ensuring optimal accessibility.

P3 Saint Rambert d'Albon is strategically located between Lyon and Valence, offering prime visibility along the A7 motorway. Situated in the industrial area of "La Fouillouse Ouest," the park lies 65 km south of Lyon and 55 km north of Valence, within an established logistics market home to major operators like DPD and XPO.

P3 Saulce sur Rhône is strategically positioned 37 km south of Valence and 15 km north of Montélimar, offering excellent visibility and accessibility between the N7 trunk road and the A7 motorway, just 2 km from exit 17. The A7 (Lyon–Marseille) serves as a key route connecting northern and southern France, making the site ideal for access to Southern Europe.

Located in Reus, Tarragona, P3 Reus is a unique logistics hub in Spain's Mediterranean Corridor. Situated 5 km from Reus Airport and 10 km from Tarragona Port, the park offers direct connections to major highways, making it an ideal regional, national, and Southern Europe distribution center for blue-chip tenants.

Situated in Collesalveti near Livorno, P3 Livorno offers direct access to the Fi-Pi-LI freeway and is just 4 minutes from the A12 Highway. With road and rail connectivity to the Port of Livorno under construction, the site is perfectly located for logistics, being close to Livorno (8 minutes), Pisa (16 minutes), and Florence (45 minutes).
