## LOCAL ACCESS

**Ontigola is a municipality in the province of Toledo, center of Spain. It is located approximately 50 km south from Madrid.**

Ontigola benefits from a consolidated logistics hub, hosting a diverse range of companies from sectors such as retail, 3PL and distribution.

P3 Ontigola offers a recently built facility, wide space for large-scale operations and access to a skilled workforce, enhancing its attractiveness for businesses seeking to optimize their logistics and supply chain activities at regional or national levels.

The warehouse can be used for both logistics activities and light production, with the possibility of 24/7 operations.

This privileged location has attracted major logistics operators such as Iskaypet, Inditex or DHL, who have established high-capacity facilities in the area, further strengthening its position as a first-class logistics hub.
